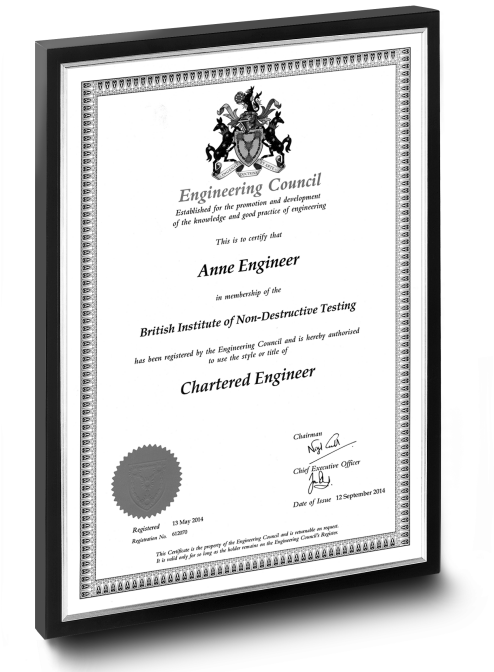
Engineering Council

Certificate Framing Service



Should you now wish to display your certificate permanently, either at home or your place of work, the Engineering Council has commissioned The Professional Framing Company to produce an elegant hand-made frame, thus ensuring your certificate will be displayed to it's very best effect. The frame is suitable for all certificates issued by the Engineering Council.

Finish:

- *Traditional Teak with Gold inlay*

Features Include:

- *Non reflective glass to allow glare free viewing from all angles.*
- *Removable backboard to allow easy insertion and, if required subsequent removal of your certificate.*

Order details	**Cost of Frame**	**Postage & Packaging**	**Total Cost (incl VAT)**
UK Orders	£19.95	£5.00	£24.95
Overseas Orders	£19.95	£15.00 (airmail)	£34.95

If you would like to order a frame, please complete the attached tear-off slip and return it together with your remittance to:

The Professional Framing Company Limited
'Woodcroft', 210 Bromsgrove Road, Redditch, Worcestershire B97 4SN

Credit/debit cards are accepted. Please fill in your details on the order form below.

Alternatively you can order your frame online by logging on to 'www.proframeco.com'

If you require further information please telephone: +44(0)1527 63039

Please note it is *NOT* necessary to send your certificate with your order. On delivery of the frame you will quickly and easily be able to insert your certificate.

For overseas orders please make your cheque or draft payable in sterling.
