Continuing Professional Development (CPD)

CPD Code for Registrants

Engineering Technicians, ICT Technicians, Incorporated Engineers and Chartered Engineers should take all necessary steps to maintain and enhance their competence through continuing professional development (CPD). In particular they should:

1. Take ownership of their learning and development needs, and develop a plan to indicate how they might meet these, in discussion with their employer, as appropriate.

2. Undertake a variety of development activities, both in accordance with this plan and in response to other opportunities which may arise.

3. Record their CPD activities.

4. Reflect upon what they have learned or achieved through their CPD activities and record these reflections.

5. Evaluate their CPD activities against any objectives which they have set and record this evaluation.

6. Review their learning and development plan regularly following reflection and assessment of future needs.

7. Support the learning and development of others through activities such as mentoring, and sharing professional expertise and knowledge.
