

Standard Routes to Registration as a Professional Engineer or Technician

NOTES:

1. This is a summary diagram; for full information see UK-SPEC <http://www.engc.org.uk/ukspec>
2. The title you apply for will depend on your work experience and your role.
3. In all cases registration is dependent on demonstrating competence and commitment at a professional review.
4. If you do not have the qualifications shown here there are other ways of demonstrating the necessary knowledge and understanding.
5. For details of qualification levels see <http://www.qaa.ac.uk> and <http://www.scqf.org.uk>
6. It is possible to progress from one registration category to another.
7. The different elements shown here are not necessarily sequential and some may be undertaken concurrently.
