Specialist contractors (IEng/EngTech)

### Specialized Functions

- **Strategic Preparation and**
  - Lead Engineer
  - Structural Engineer (CEng)
  - Fire Engineer (CEng)
  - M&E Engineer (CEng)

- **WG 2 - Installers**
  - Lead Engineer
  - Civil (CEng)
  - Structural Eng
  - M&E (CEng)

- **WG 3 - Fire Engineers**
  - Lead Engineer
  - Fire (CEng)

- **WG 4 - Fire Risk Assessors**
  - Lead Engineer
  - Fire (CEng)

- **WG 5 - Fire Safety Enforcement Officers**
  - Lead Engineer
  - Fire (CEng)

- **WG 6 - Building Designers / Architects**
  - Lead Engineer
  - Fire (CEng)

- **WG 7 - Building Safety Coordinators**
  - Lead Engineer
  - Building Designers / Architects

- **WG 8 - Building Safety Coordinators**
  - Lead Engineer
  - Building Designers / Architects

- **WG 9 - Site Supervisors**
  - Lead Engineer
  - Building Safety Coordinators

- **WG 10 - Project Managers**
  - Lead Engineer
  - Building Safety Coordinators

- **WG 11 - Procurement Team, Services**
  - Lead Engineer
  - Building Safety Coordinators

- **WG 12 - Products, equipment**
  - Lead Engineer
  - Building Safety Coordinators

Engineers are likely to have involvement with products, either design, manufacture or use of - how would you like to represent this.
