Public notes

Note	Added by
**Note from 2022: Students taking the FdSc Fire Safety Engineering programme migrate onto the BEng (Hons)/MEng Fire Engineering programme and in doing so would also partially meet the requirements towards CEng. No accreditation is provided for the FdSc programme as a stand-alone. The EI advised that with AHEP4 partial IEng will be possible for future accreditations if the University wanted to put it forward.	Energy Institute
