\* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

## Public notes

Note	Added by
Backdating due to an error in the original dates. It looked like there was a two year gap in the accreditation for this course but I have found the evidence to state it was accredited from 2021-2023, if you require any more information then let me know.	Institution of Chemical Engineers
Accredited further learning for CEng	Engineering Council
