\* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

## Public notes

Note	Added by
This programme is one of two 'Offshore Engineering' routes (see record 15422 for the Management route). Offshore Engineering has replaced the previous Offshore and Ocean Technology programmes (see records 8423, 8428, 8425, 8426 and 8424) from September 2018.	
Accredited further learning for CEng
