Public notes

Note	Added by
This programme is accredited by the IMechE for graduation dates from 2011 - 2021.	Institution of Mechanical Engineers
IET accreditation is by intake year (the year in which a student registers on the programme)	Institution of Engineering and Technology
Students will only be considered to hold an accredited qualification if they have followed the restricted pathway. If you wish to contact the IET to apply for professional registration with M03 and to check whether your pathway is accredited by the IET please contact profreg@theiet.org for more information.	Institution of Engineering and Technology
Accreditation is awarded for those students whose certificates are suitably endorsed (ie the Diploma Supplement) and identify clearly they have followed the restricted choice programmes.	Institution of Mechanical Engineers
