### Public notes

Note	Added by
IMechE - The last entry for, or review date of, this qualification is not specified. The Edexcel BTEC Level 4 HNC Diploma in Aeronautical Engineering consists of a minimum of 120 credits, of which at least 90 credits must be achieved at level 4. The qualification includes three mandatory core units (50 credits). A further 45 credits must be selected from specialist units group A. The remaining credit required may then be taken from specialist units group A and/or group B.
