* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

Public notes

Note	Added by
Previously, the Department of Civil Engineering has been offering five separate Master of Science programmes in Environmental Engineering, Geotechnical Engineering, Infrastructure Project Management, Structural Engineering and Transportation Engineering. But from 2022 intake year, these have been consolidated into a single Master of Science in Civil Engineering Programme.	Institution of Civil Engineers
