CEng (Is Further Learning)	09/2006 - 08/2024	MSc	1 year : Full Time	IMechE			Washington Accord*
CEng (Is Further Learning)	09/2016 - 08/2024	MSc	5 years : Part Time	IMechE			Washington Accord*
CEng (Is Further Learning)	09/2011 - 08/2016	MSc	2 years : Part Time	IMechE			Washington Accord*
CEng (Is Further Learning)	09/2006 - 08/2011	MSc	5 years : Part Time	IMechE			Washington Accord*

* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

Public notes

Note	Added by
Title changed from 'Advanced Engineering Design' to 'Mechanical Engineering' with effect from 2014 intake	Institution of Mechanical Engineers
Accredited further learning for CEng	Institution of Mechanical Engineers
Successful completion of the MSc for students admitted during this period will contribute towards the academic requirement for registration as a Chartered Engineer. MSc graduates who also have a BEng(Hons) accredited for CEng should be able to show that they have satisfied the educational base for CEng registration. It should be noted that graduates from an accredited MSc programme that do not also have an appropriately accredited Honours degree, will not be regarded as having the exemplifying qualifications for professional registration as a Chartered Engineer with the Engineering CouncilUK and will need to have their qualifications individually assessed through the Individual Case Procedure if they wish to progress to CEng.	Institution of Mechanical Engineers

Title changes

Old Title	From
Mechanical Engineering	08/03/2016
Advanced Engineering Design	01/09/2006
