CEng (Is Further Learning)	09/2002 - 08/2009	MSc(Eng)	1 - 2 years : Full Time	ICE, CIHT , IStructE	
CEng (Is Further Learning)	09/2002 - 08/2009	MSc(Eng)	2 - 3 years : Part Time	ICE, CIHT , IStructE	

\* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

### Public notes

Note	Added by
Previously, the Department of Civil Engineering has been offering five separate Master of Science programmes in Environmental Engineering, Geotechnical Engineering, Infrastructure Project Management, Structural Engineering and Transportation Engineering. But from 2022 intake year, these have been consolidated into a single Master of Science in Civil Engineering Programme which is accredited and covered under course ref 17101.	Institution of Civil Engineers
Accredited as meeting the Further Learning requirement for CEng	Institution of Civil Engineers
