* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

Public notes

Note	Added by
In the educational system in Ukraine, the MRes equivalent is called a Graduate Specialist Diploma. (There is no difference between the number of units students on the Masters programme study and the number of a units students on the Graduate Specialist Diploma study. The ONMA is not able to change the name of the award). The course has been accredited as meeting the academic further learning requirement, in full, for registration as a Chartered Engineer.	Institute of Marine Engineering, Science and Technology
