

Degree :

Title	Biochemical Engineering for Scientists	University	University of London - University College London - UCL
Award	MSc	Course Ref	10411

Recognitions

Section	Intake Dates	Award	Course Details	Accredited By	Delivery Provider	Location Provider	International Recognition
CEng (Requires Further Learning)	09/2023 - 08/2028	MSc	1 year : Full Time	IChemE	University of London - University College London - UCL	University of London - University College London - UCL	Washington Accord*
CEng (Requires Further Learning)	09/2001 - 08/2023	MSc	1 year : Full Time	IChemE		University of London - University College London - UCL	Washington Accord*
CEng (Full)	09/1989 - 08/2001	MSc	1 year : Full Time	IChemE			Washington Accord

* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

Public notes

Note	Added by
Further Learning to Master Level is required from academic intake year 2001.	Institution of Chemical Engineers
The MSc is accredited as a conversion package that will satisfy the requirements for Bachelor level accreditation for students entering with an appropriate non-chemical engineering undergraduate degree and who successfully complete the Design Project. The MSC does not constitute Further Learning for CEng registration.	Engineering Council
