* Washington Accord recognition requires a combination of a recognised CEng bachelors-level degree course with recognised further learning to masters level. Click [here](#) to view the FAQ on International Recognition.

Public notes

Note	Added by
The 1 year full-time and 2 years part-time versions of the courses are top up degrees and accreditation is awarded for these variants with the caveat that students must have first successfully completed the BEngTech Electrical Services Engineering programme (DT010 or DT083).	Energy Institute
Further Learning required from 2012 intake	Energy Institute
