Note	Added by
The degree programme that preceded this qualification was titled Off Road Vehicle Design BEng (Hons), course ref 5999. The last intake of this course was Sept 2016, and for that final intake Harper Adams renamed the course to Automotive Engineering (Off Highway) BEng (Hons). The accredited programme content remained unchanged. Students starting in 2016 and graduating in 2020 were consequently awarded a qualification with the new course title.
